

Kitchen Systems

ProSimplicity

The ProSimplicity offers the most comprehensive and versatile warewash control system. With a proven history of durability and reliability, the ProSimplicity now adds digital technology. The new generation of ProSimplicity offers a user friendly digital menu that simplifies installation and allows you to set the controls and options. The ProSimplicity delivers reliable performance and dispensing versatility ensuring easy, no hassle cleaning.

- Digitally programmable unit offers probe, probeless, and autosense functionality.
- Easy to program digital menu and settings
- Durable, water resistant plastic case
- Easy and simple installation
- No need to open the unit to set controls
- Capable of controlling two products, and the choice of liquid or dry detergent
- Reduced training and installation time
- Multi-lingual menu: English, Spanish, French, German, Dutch, or Italian
