Refer to ZDS dispensing system metering chart for appropriate tips.
Undiluted product may damage some surfaces. Fragrance Added: Clean and Fresh.
Meets the Green Seal™ GS-37 standard for industrial and institutional cleaners.

WARNING!
CAUSES EYE IRRITATION

Undiluted product causes eye irritation. Undiluted product may cause skin irritation. Avoid contact with eyes, skin and clothing. Inhalation of spray mists may cause respiratory tract irritation. DO NOT swallow this product. Wear safety glasses or other eye protection and rubber gloves when handling concentrate. Avoid contamination of food. After handling, wash hands thoroughly with soap and water. After product is diluted in accordance with directions for use, safety glasses or other eye protection are not required, as product is non-irritating. Further information on the effects of overexposure is included on the Material Safety Data Sheet, which is available upon request from your employer.

FIRST AID:
EYES: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately.
SKIN: Flush affected skin with plenty of water. Consult a physician if irritation develops.
INHALATION: If symptoms occur, move exposed person to fresh air. If symptoms persist, get medical attention.
INGESTION: If this product is swallowed, DO NOT induce vomiting. If affected person is conscious give plenty of water to drink. Call a poison control center or doctor immediately for treatment advice.

DISPOSAL AND/OR SPILL INFORMATION: Dispose of any excess or unused product in accordance with applicable federal, state and local regulations. As with all cleaning and maintenance procedures, run-off from the cleaning or maintenance process should be diverted to a collection vessel, or where permitted, to a sanitary sewer (consult local and state regulations) and not allowed to soak into the ground or to enter a storm sewer. If this product is spilled or contaminated and cannot be used, creating the need for disposal, absorb product on an inert absorbent material such as Zep-O-Zorb or Zep-Zorbent, and deposit in a sealable container. Rinse area well with water. Empty product containers may be recycled in areas where community recycling programs are available.
STORAGE: Keep this product away from food and food products. Store tightly closed container in dry area at temperatures below 95°F (35°C).

Safe2Dose™ Diseñado para uso sólo con el dispensador Zep® Dilution Solution

INSTRUCCIONES:
Utilice el Safe2Dose Oxy Non-Acid Bathroom Cleaner (GreenLink™) sólo con el dispensador Zep® Dilution Solution (ZDS). Diluir el producto con agua fría. Utilice la dilución apropiada según el nivel de suciedad. Limpie casillas de ducha, pisos de baños, lavamanos, grifos, inodoros, orinales, mesones, paredes divisorias, artefactos del baño, vidrio, ventanas, puertas y baldosa y lechada.

Uso con rociador de gatillo o con trapeador y cubeta	
Trabajo liviano	1:256
Uso general	1:128
Trabajo pesado	1:25

- Aplique los productos diluidos sobre la superficie a limpiar.
- Restriegue según se requiera con esponja, cepillo o trapo y seque al aire.

Consulte la tabla de dosificaciones de los sistemas dispensadores ZDS para obtener sugerencias apropiadas.
El producto sin diluir podría dañar algunas superficies.
Fragancia agregada: Limpio y fresco.
Cumple la norma GS-37 de Green Seal™ para limpiadores industriales e institucionales.

¡ADVERTENCIA!
CAUSA IRRITACIÓN DE LOS OJOS

Producto puro puede causar irritación en los ojos. Producto puro puede causar irritación en la piel. Evite el contacto con los ojos, la piel y la ropa. La inhalación de las neblinas del rociador podría causar irritación de las vías respiratorias. NO ingiera este producto. Al manipular el concentrado, use gafas de seguridad u otra protección de los ojos y cuartos de carbo/horno. Evite contaminar los alimentos. Después de la manipulación, lávese minuciosamente las manos con jabón y agua. Después que el producto está diluido de acuerdo con las instrucciones de uso, no se requieren gafas de seguridad u otra protección de los ojos, ya que el producto no es irritante. Se incluye información adicional sobre los efectos de la sobreexposición en la Hoja de Datos de Seguridad del Material que se puede conseguir por solicitud con su empleador.

PRIMEROS AUXILIOS:
OJOS: Lávese inmediatamente los ojos con bastante agua durante al menos 15 minutos, levantando ocasionalmente los párpados superior e inferior. Obtenga atención médica inmediatamente.
PIEL: Lave la piel afectada, con abundante agua. Consulte con un médico si se desarrolla irritación.

ANTES DE UTILIZAR ESTE PRODUCTO, POR FAVOR LEA COMPLETAMENTE ESTA ETIQUETA

INHALACIÓN: Si ocurren síntomas, traslade al aire fresco la persona expuesta. Si los síntomas persisten, obtenga atención médica.
INGESTIÓN: Si se ingiere este producto, NO induzca el vómito. Si la persona afectada está consciente, suministre bastante agua para beber. Llame inmediatamente a un centro toxicológico o un médico para solicitar recomendaciones de tratamiento.

INFORMACIÓN SOBRE DESECHO Y/O DERRAMES: Deshágase de cualquier producto en exceso o no utilizado de conformidad con las leyes federales, estatales y locales. Como con todos los procedimientos de limpieza y mantenimiento, el agua residual del proceso de limpieza o mantenimiento debe desviarse hacia un recipiente recolector, o donde sea permitido, hacia una alcantarilla sanitaria (consulte las normas locales y estatales) y no permita que sea absorbida dentro del terreno o que ingrese a una alcantarilla de aguas lluvias. Si este producto es derramado o está contaminado y no puede utilizarse, creando la necesidad de desecho, absorba el producto mediante un material absorbente inerte, tal como el Zep-O-Zorb o Zep-Zorbent, y deposite en un recipiente sellable. Enjuague bien el área con agua. Los recipientes vacíos del producto pueden reciclarse en áreas donde existen programas de reciclaje comunitarios.

ALMACENAMIENTO: Mantenga este producto alejado de los alimentos y productos alimenticios. Almacene en un recipiente herméticamente cerrado, en un lugar seco, a temperaturas menores de 95°F (35°C).

**MANTÉNGA FUERA DEL ALCANCE DE LOS NIÑOS
SÓLO PARA USO INDUSTRIAL E INSTITUCIONAL
NO ES PARA USO CASERO O REVENTA**

Este producto está diseñado exclusivamente para uso industrial e institucional por parte de personal de mantenimiento profesional debidamente capacitado. Las instrucciones y precauciones de la etiqueta deben observarse exactamente. Zep Inc. no será responsable de ninguna lesión, pérdida o daño en caso de que el producto se use de alguna manera no conforme con las instrucciones de la etiqueta, o si no se observan las precauciones.

* Este producto cumple con la norma para limpiadores industriales e institucionales de Green Seal™ por su reducida toxicidad para los seres humanos y el medio ambiente, y su reducido contenido de compuestos orgánicos volátiles.
