

PRODUCT SPECIFICATION REPORT

Safe2Dose Multi-Clean Degreaser(GreenLink) is a concentrated, non-phosphate, non-flammable, heavy-duty, alkaline cleaner and degreaser. It is specifically designed to be used through a Safe2Dose Zep Dilution Solution (ZDS) dispensing system.

SAFE2DOSE™ MULTI-CLEAN DEGREASER

PROD.#N691

Green Seal™ Certified Multipurpose Cleaner & Degreaser

FEATURES/BENEFITS:

Green Seal™ Certified	This product meets Green Seal™ standard for industrial and institutional cleaners, GS-37
RCRA Non-hazardous	This product meets requirements defined in section 40 CFR 1500.3 of RCRA to be considered non-hazardous.
Accurate	Dilutes precisely and safely through the Zep Dilutions System (ZDS) without any chemical waste
Economical	It can be diluted from 4 to 10 ounces per gallon of water for various levels of cleaning. Versatile use eliminates the need of carrying different products for different cleaning requirements.
Effective	Cleans and degreases surfaces effectively without leaving any residue behind when rinsed completely
Safe2Dose Technology	Safe2Dose products are designed to provide end-users with a safe and accurate chemical management system. Use Safe2Dose chemicals with a Zep Dilution Solution (ZDS) dispenser only

41

APPLICATIONS:

Safe2Dose Multi-Clean Degreaser is a highly versatile cleaner that may be diluted to obtain the strength of cleaner necessary to get the job done. It is suitable for use in a wide variety of applications, and on a wide variety of surfaces. Recommended for use in machine shops, automotive repair shops, department stores, hotels & motels, restaurants, cafeterias, schools, day cares, and cleaning & maintenance services.

LABEL SPECIMEN

Safe2Dose™

SAFE2DOSE™ MULTI-CLEAN DEGREASER

PROD. #N691

Safe2Dose™ Designed for use with a Zep Dilution Solution dispenser only

Multi-Clean Degreaser

Use Safe2Dose Multi-Clean Degreaser (GreenLink™) with a Zep Dilution Solution (ZDS) dispenser only.

DIRECTIONS:

Dilute product with cold water. Depending on the soil load use appropriate dilution. Clean woodwork, stainless steel, mirror, glass, composite floors, fixtures, equipments, ceramic tile, terrazzo and other surfaces. Efficiently removes soils from concrete and walls in restaurants and supermarkets.

Trigger Sprayer, Mop and Bucket or Pressure Washer	
Light-Duty	1:32
General Purpose	1:21
Heavy-Duty	1:12

1. Apply diluted product on surface to be cleaned.
2. Scrub as needed with sponge, brush, mop or cloth and rinse thoroughly.

Undiluted product may damage some surfaces. No Fragrance Added. Refer to ZDS Dispensing System metering chart for appropriate tips.

Meets the Green Seal™ GS-37 standard for industrial and institutional cleaners.

WARNING!
CAUSES EYE IRRITATION

Undiluted product causes eye irritation. Undiluted product may cause skin irritation. Avoid contact with skin and eyes. Inhalation of spray mists may cause respiratory tract irritation. Avoid breathing vapors or spray mists. DO NOT swallow this product. Further information on the effects of overexposure is included on the Material Safety Data Sheet, which is available upon request from your employer.

Zep advocates limiting exposure to all chemical products. Wear safety glasses during product use and handling. The use of rubber, neoprene, nitrile, or other resistant gloves is recommended for prolonged use. Remove contaminated clothing promptly and DO NOT rewear until thoroughly cleaned. After handling, wash hands thoroughly with soap and water.

FIRST AID:
EYES: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids.

MULTI-PURPOSE DEGREASER

Get medical attention immediately. **SKIN:** Flush affected skin with plenty of water. Consult a physician if irritation develops. **INHALATION:** If symptoms occur, move exposed person to fresh air. If symptoms persist, get medical attention. **INGESTION:** If this product is swallowed, DO NOT induce vomiting. If affected person is conscious give plenty of water to drink. Call a poison control center or doctor immediately for treatment advice.

DISPOSAL AND/OR SPILL INFORMATION: Dispose of any excess or unused product in accordance with applicable federal, state and local regulations. As with all cleaning and maintenance procedures, run-off from the cleaning or maintenance process should be directed to a collection vessel, or where permitted, to a sanitary sewer (consult local and state regulations) and not allowed to soak into the ground or to enter a storm sewer. If this product is spilled or contaminated and cannot be used, creating the need for disposal, absorb product on an inert absorbent material, such as Zep-O-Zorb or Zep Zorbent, and deposit in a sealable container. Rinse area well with water. Empty product containers may be recycled in areas where community recycling programs are available.

STORAGE: Keep this product away from food and food products. Store tightly closed container in dry area at temperatures between 40°F (4°C) and 120°F (49°C).

KEEP OUT OF REACH OF CHILDREN
FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY
NOT FOR HOUSEHOLD USE OR RESALE

Contains: Potassium silicate: 1312-76-1; Propylene glycol butyl ether: 5131-66-8; C9-11; Alcohols ethoxylated 4-6D: 68439-46-3; Water: 7732-18-5

This product is designed exclusively for industrial and institutional use by trained, professional maintenance personnel. Label directions and precautions must be followed exactly. Zep Inc. will not be responsible for any injury, loss or damage, if product is used in any manner not in compliance with label directions, or, if precautions are not observed.

* This product meets the Green Seal™ standard for industrial and institutional cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound content.

* GreenLink™ is a trademark of Zep Inc. and not a third party certification. Disenado para uso sólo con el dispensador Zep® Dilution Solution

ANTES DE UTILIZAR ESTE PRODUCTO, POR FAVOR LEA COMPLETAMENTE ESTA ETIQUETA

Utilice Safe2Dose Multi-Clean Degreaser (GreenLink) sólo con el dispensador Zep® Dilution Solution (ZDS).

INSTRUCCIONES:

Diluir el producto con agua fría. Dependiendo de la carga de suciedad, utilice la dilución apropiada. Limpie elementos de madera, acero inoxidable, espejos, vidrio, pisos, compuestos, accesorios, equipos, baldosas cerámicas, terrazo y otras superficies. Renueve eficientemente la suciedad del concreto y paredes en restaurantes y supermercados.

Rociador de gatillo, trapeador y cubeta, o lavadora a presión	
Trabajo liviano	1:32
Uso general	1:21
Trabajo pesado	1:12

1. Aplique la solución sobre la superficie a limpiar.
2. Restriegue según se requiera con esponja, cepillo, trapeador o trapo y enjuague completamente.

Producto puro puede dañar algunas superficies. Sin fragancia agregada.

Consulte la tabla de dosificaciones de los sistemas dispensadores ZDS para obtener sugerencias apropiadas.

Cumple la norma GS-37 de Green Seal™ para limpiadores industriales e institucionales.

¡ADVERTENCIA!
CAUSA IRRITACIÓN DE LOS OJOS

Causa irritación de los ojos. Podría causar irritación de la piel. Evite el contacto con los ojos y la piel. La inhalación de las nieblas del rociador podría causar irritación de las vías respiratorias. Evite respirar los vapores y las nieblas del rociador. NO ingiera este producto. Se incluye información adicional sobre los efectos de la sobreexposición en la Hoja de Datos de Seguridad del Material que se puede conseguir por solicitud con su empleador. Zep recomienda limitar la exposición a todos los productos químicos. Utilice gafas de seguridad durante el uso y manipulación del producto. Para uso prolongado, se recomienda el uso de guantes de caucho, neopreno, nitrilo, u otros guantes resistentes. Quítese rápidamente la ropa contaminada y NO la utilice nuevamente hasta limpiarla minuciosamente. Después de la manipulación, lávese minuciosamente las manos con jabón y agua.

PRIMEROS AUXILIOS:

OJOS: Lávese inmediatamente los ojos con bastante agua durante al menos 15 minutos; levantando ocasionalmente los párpados superior e inferior. Obtenga atención médica inmediatamente. **PIEL:** Lave.

DESENGRASADOR MULTIUSO

la piel afectada, con abundante agua. Consulte con un médico si se desarrolla irritación. **INHALACIÓN:** Si ocurren síntomas, traslade al aire fresco la persona expuesta. Si los síntomas persisten, obtenga atención médica. **INGESTIÓN:** Si se ingiere este producto, NO induzca el vómito. Si la persona afectada está consciente, suministre bastante agua para beber. Llame inmediatamente a un centro toxicológico o un médico para solicitar recomendaciones de tratamiento.

INFORMACIÓN SOBRE DESECHO Y/O DERRAMES: Deshágase de cualquier producto en exceso o no utilizado de conformidad con las leyes federales, estatales y locales. Como con todos los procedimientos de limpieza y mantenimiento, el agua residual del proceso de limpieza o mantenimiento debe desviarse hacia un recipiente recolector, o donde sea permitido, hacia una alcantarilla sanitaria (consulte las normas locales y estatales) y no permita que sea absorbida dentro del terreno o que ingrese a una alcantarilla de aguas lluvias. Si este producto es deramado o está contaminado y no puede utilizarse, creando la necesidad de desecho, absorba el producto mediante un material absorbente inerte, tal como el Zep-O-Zorb o Zep Zorbent, y deposite en un recipiente sellable. Enjuague bien el área con agua. Los recipientes vacíos del producto pueden reciclarse en áreas donde existan programas de reciclaje comunitarios.

ALMACENAMIENTO: Mantenga este producto alejado de los alimentos y productos alimenticios. Almacene en un recipiente cerrado herméticamente en una área seca a temperaturas entre 40°F (4°C) y 120°F (49°C).

MANTENGA FUERA DEL ALCANCE DE LOS NIÑOS
SÓLO PARA USO INDUSTRIAL E INSTITUCIONAL
NO ES PARA USO CASERO O REVENTA

Este producto está diseñado exclusivamente para uso industrial e institucional por parte de personal de mantenimiento capacitado y profesional. Las instrucciones y precauciones de la etiqueta deben seguirse exactamente. Zep Inc. no será responsable por ninguna lesión, pérdida o daño, si el producto se utiliza de alguna manera que no cumpla las instrucciones de la etiqueta, o, si no se cumplen las precauciones.

Este producto cumple con la norma para limpiadores industriales e institucionales de Green Seal™ por su reducida toxicidad para los seres humanos y el medio ambiente, y su reducido contenido de compuestos orgánicos volátiles.
